

Football Fridays

For the next five Fridays beginning this Friday, Aug. 31st, the Central Office will be celebrating Football Fridays by allowing staff to wear their favorite high school, college, or professional gear on these days. Each week, departments that want to participate can sign up to bring food as part of the celebration. The setup will be in the Board Room (if available). If the Board Room is taken we will make other arrangements in the building to have the food. Departments can partner up, but you've got to sign up to eat.
